Description

A private heated pool, channel views, and five bedrooms make this Cherry Grove beach home a standout coastal getaway. Currently used as a vacation rental, 321 48th Ave N offers three full bathrooms, inviting gathering spaces, and plenty of room to spread out, both inside and outdoors. Vaulted ceilings with exposed white beams, large windows, and soft coastal finishes give the main living area a bright, relaxed feel. The spacious living room provides a comfortable place to gather after a day at the beach, while the kitchen features light cabinetry, stainless steel appliances, and an adjoining dining area ideal for meals together. The outdoor spaces are a highlight. Enjoy a swim in the heated pool overlooking the channel, stretch out on the surrounding paver patio, or take in the water views from the elevated rear deck. Covered outdoor dining makes it easy to enjoy meals in the coastal breeze, and the shaded space beneath the home offers another welcoming spot to unwind. As evening arrives, the illuminated pool creates a beautiful backdrop for nights by the water. A wide driveway and covered parking add convenience, while the Cherry Grove location puts the beach, local dining, and North Myrtle Beach attractions within easy reach. Whether you're looking for a personal beach retreat, a vacation rental investment, or a combination of both, this five-bedroom, three-bath home brings together the space, amenities, and waterfront setting that make coastal living special. Not all bedrooms are conforming. Two bedrooms are on the ground level accessible from the exterior of the home only. Contact agent for full bedroom details.
