## Description

FULL BRICK 3-bedroom, 3.5-bath home with an INGROUND POOL in the popular Linkside subdivision of Taylors, SC! HARDWOOD FLOORS run through most of the main level. The living room has a GAS LOG FIREPLACE with BUILT-INS on either side and a door out to a HUGE DECK overlooking the pool and backyard, so summer cookouts and poolside evenings are built in. The dining room has PLANTATION SHUTTERS. The SPLIT BEDROOM FLOOR PLAN gives everyone privacy, and the primary suite opens to its own SUNROOM, a bright spot for morning coffee or a good book. Above the 2-CAR GARAGE, a FLEX ROOM with its own MINI SPLIT UNIT and HALF BATH works as a home office, media room or game room. A GENERAC GENERATOR keeps the lights on when the power goes out. This home is PRICED TO SELL and needs cosmetic updates, so you can bring your style and build equity from day one. Linkside is minutes from Wade Hampton Blvd, with an easy drive to downtown Greenville's restaurants, shopping, Main Street and the Swamp Rabbit Trail. You get quiet neighborhood living with quick access to everything Greenville offers. Homes with this much space and a pool in Linkside don't come along often. Schedule your showing today!
