Description

****BE SURE TO WATCH THE VIRTUAL WALK-THROUGH INCLUDED WITH THIS LISTING****

A very special home in Windsor Court. This is one of those homes that truly stands apart. Located in Windsor Court, a small and intimate community of just five buildings surrounding a private, limited-access pool, this beautifully renovated ground-floor residence places you just steps from the pool and directly off your screened porch. And when we say renovated, we mean everything has been done. The condition is exceptional—beautifully finished, thoughtfully updated, and exceptionally well maintained. In fact, it is hard to find something that hasn't been addressed. Inside, you'll find wood-look LVP flooring throughout, along with an array of custom touches including shiplap accent walls, crown molding, and a striking coffered ceiling in the living room. The kitchen has been completely transformed with new cabinetry, quartz countertops, an interesting backsplash, stainless steel appliances, and additional cabinetry topped with butcher block for both added storage and character. Both bathrooms have been completely updated with stylish walk-in showers, new vanities, mirrors, lighting, and fixtures. Beyond the renovations, the home is beautifully furnished and decorated in a warm, comfortable, yet sophisticated style that feels both current and inviting. The attention to detail is evident throughout. And perhaps most impressive, virtually everything is new within the past one to three years—including the windows, HVAC system, water heater, furnishings, renovations, and so much more. Simply put, this is a home where the work has already been done. Beautiful condition, exceptional updates, tasteful design, and truly move-in ready. CLOSE TO PERFECT. Kingston Plantation is a 145-acre, master planned community in the heart of Myrtle Beach. Kingston offers a combination of amenities and preserved natural environment that's unparalleled. One-half mile of white sand beach, twelve acres of freshwater lakes and mature trees, all surrounded by beautifully manicured grounds. The Plantation offers amenities such as a magnificent Spa and Fitness Center, four clay and hard surface tennis courts, four pickleball courts, multiple pools, badminton, croquet, beach volleyball and much more! Kingston offers a selection of one, two, three and four bedroom villas, townhomes, lakefront lodges and oceanfront high-rises through the community. Some resort amenities are only available thru the Hilton on-site rental program.
