Description

Better-than-new all-brick 3 bedroom, 2 bath home on a large lot with pond, minutes from Shaw Air Force Base. Quiet neighborhood, easy living, and the features buyers actually use every day. Open floor plan flows into a granite kitchen with island, bar, and gooseneck faucet—made for cooking, homework, and company without feeling crowded. The private master suite has its own bath and a huge walk-in closet, so mornings stay calm and storage stays out of sight. Two additional bedrooms and a full bath give guests or family their own space. Step out to the rear deck and a beautifully shaded backyard. The lot gives you room to breathe; the pond and trees give you a setting that feels private, not boxed in. All-brick construction means less upkeep and a home that still looks sharp years from now. This is move-in ready living close to Shaw without sacrificing yard, layout, or neighborhood feel. Come walk it—photos don't capture how well this one shows.
