Description

Welcome home to 326 Gleaner Drive, a beautifully maintained one-story ranch in Inman's sought-after Harvest Ridge community, zoned for School District Two (Oakland Elementary, Boiling Springs Middle & High). This 3-bedroom, 2-bath home offers 1,418 heated square feet, built in 2015, with an open floor plan, crown molding with accent lighting in the living room, and a cozy gas fireplace. Laminate flooring flows throughout the home — no carpet anywhere. The kitchen shines with granite countertops and a gas range and refrigerator that are only about a year old. The primary suite is a true retreat with a tray ceiling framed in crown molding and accent lighting, a spacious walk-in closet, walk-in shower, and a granite-top vanity. Two additional bedrooms share a second full bath with a walk-in shower. A dedicated laundry room with extra shelving sits across a handy pantry, and a coat closet adds everyday storage. Step outside to a fully fenced, private backyard — bordered by a driveway easement to a neighboring property, meaning no future construction directly behind the home — featuring a newer deck and patio, perfect for relaxing or entertaining. The sellers are in the process of removing the above-ground pool and will be putting down grass seed. An attached 2-car garage completes this move-in-ready home. Washer/dryer, garage shelving, patio furniture, and grill all convey. Low HOA of just \$125/year with no pending special assessments. Don't miss this rare opportunity in an established Inman, SC neighborhood, close to Boiling Springs and Spartanburg County amenities.
