## Description

A 3-bed ranch home in O'Neal Village offers 2,000+ square feet of thoughtfully designed living space in Greer, SC. Built in 2025 by SK Builders, this one-level home combines an open floor plan, extensive upgrades, a premium lot, a screened porch, and the lifestyle of a master-planned community designed around connection, recreation, and everyday convenience. The kitchen features an upgraded package with quartz countertops, gas cooktop, wall oven, built-in microwave, walk-in pantry, and generous storage. The open floor plan connects the kitchen and dining area to a spacious living room featuring an upgraded gas-log fireplace. The primary suite offers a spacious bedroom with sitting area, separate shower, garden tub, double vanity, and walk-in closet. Two additional bedrooms and a second full bath complete the main level. Additional highlights include upgraded flooring, 9-foot-plus and smooth ceilings, tray ceilings, insulated windows, front porch, patio, paved concrete driveway, and an attached 2-car garage. The premium lot adds backyard green space and a partially wooded setting, creating an inviting backdrop for outdoor living and relaxing on the screened porch. What is the O'Neal Village lifestyle like? This master-planned community brings recreation, outdoor living, and neighborhood connection together with amenities including a community pool, dog park, sidewalks, recreation facilities, and common areas. With the upgrades, single-level layout, outdoor living spaces, and beautifully designed community setting, this home provides a comfortable and well-appointed place to call home in O'Neal Village.
