Description

First-time homebuyers, downsizers or investors - this one is definitely worth a look! Welcome to easy, low-maintenance living in Hidden Cove. This spacious 2-bed, 2-bath second story condo sits right in the heart of Moncks Corner, so you're close to pretty much everything. Inside, the living area feels open and inviting, complete with a gas-fireplace with option to lease gas directly from local provider. The kitchen has tons of cabinet space, a pantry, and a breakfast bar that opens right into the eat-in dining area. Even better, it comes with a brand-new refrigerator, microwave, dishwasher and washer/dryer set. The current owner also put in new LVP flooring throughout the main rooms and bedrooms, added in new ceiling fans and light fixtures and installed new carpet on the stairs. The primary bedroom has its own private bath and two closets, while the second bedroom is a great space for guests, a roommate, or a home office. Off the great room, there's a covered balcony that's perfect for hanging out, plus a 10x10 outdoor storage room with an additional refrigerator. The Hidden Cove HOA fee covers all the exterior building maintenance, grounds maintenance, termite bond, trash(dumpster)/water/sewer, building insurance, and saltwater pool/clubhouse. Plus, you're just a short walk to Aldi and Chipotle (coming soon), banking, Walmart, Chikfila, Wendy's, Jersey Mikes and Swig and Swine (located at the Marina directly behind the community). Quick drive to the Town recreation center, other local shops, restaurants and all the public boat landings accessing Lake Moultrie.
