Description

If you've been looking for a home that offers more than just a place to live, this one is worth a closer look. Located in the desirable Waterside community of Myrtle Beach, this unique property combines comfortable everyday living with the flexibility of a multi-family setup, all just moments from the Intracoastal Waterway. The main home features 3 bedrooms and 2 bathrooms, offering plenty of room to spread out, relax, and entertain. Adding even more versatility is a separate 1-bedroom, 1-bath multi-family space, perfect for extended family, guests, a private retreat, or potential rental income. Whether you need extra living space or simply love having options, this layout gives you plenty of them. Outside is where this property really shines. The fenced-in backyard provides a private space to enjoy the outdoors, while the oversized patio can be accessed from both sides, making it ideal for gatherings, grilling, relaxing, or simply enjoying the coastal lifestyle. A storage shed adds convenient space for tools, toys, beach gear, and everything else that comes with living near the water. The 2-car garage provides additional storage and everyday convenience. And then there's the location. Situated in an Intracoastal Waterway community with ICW views, you'll have the opportunity to enjoy the scenery and laid-back atmosphere that makes this area so special. The community also offers a boat ramp, making it easy to get out on the water and enjoy boating, fishing, and everything the coast has to offer. Best of all, there is no HOA, giving you more freedom and flexibility. With its unique multi-family configuration, generous outdoor space, 2-car garage, ICW views, and boat-ramp access, this is a property that offers a lifestyle that's hard to duplicate in Myrtle Beach. Come see the possibilities and imagine how this one could work for you! Some photos have been virtually staged for illustration purposes only.
