Now check out the house... Welcome to this beautifully appointed 4-bedroom, 2.5-bathroom home where comfort, elegance, and modern upgrades come together. Designed with everyday living and entertaining in mind, this home offers a spacious open floor plan filled with natural light and timeless finishes. The heart of the home is the chef's kitchen, featuring stunning countertops, Whirlpool stainless steel appliances, a gas cooktop with a brand-new double oven, an oversized center island, and a large pantry designed to keep everything organized and within reach. Just beyond the kitchen, the inviting family room is anchored by a warm gas fireplace, creating the perfect setting for relaxing evenings or gathering with family and friends. A private flex room with French glass doors provides the ideal space for a home office, library, playroom, or formal sitting/dining room. A conveniently located half bathroom on the main floor adds comfort and functionality for both family and guests. Upstairs, you'll find all four bedrooms thoughtfully arranged for privacy and convenience. The spacious primary suite offers a peaceful retreat with a spa-inspired bath featuring dual vanities, a beautifully tiled walk-in shower, and a generous walk-in closet. Three additional bedrooms, a full guest bath, and a large laundry room complete the second floor. Recent improvements include a brand-new HVAC system, offering comfort and efficiency for years to come. Every detail of this home has been carefully maintained, making it truly move-in ready.
