Description

Single-story living on a full acre with no HOA, located on Red Bluff Road just outside Loris in Horry County, South Carolina. Built in 2025, this four bedroom, two bath home offers 1,881 heated square feet, all on one level. The kitchen anchors the main living area with quartz countertops, a tile backsplash, stainless steel appliances, a pantry, and a large work island with a breakfast bar. The living room features tray ceilings and a fireplace, and a Carolina room off the back adds flexible year-round space. The primary suite is on the first floor with a walk-in closet, a double vanity, and a tile shower. A fourth bedroom with french doors serves equally well as a home office or dining room. Luxury vinyl plank flooring runs throughout, and there are no stairs anywhere in the home. Outside, the one acre lot includes a side load two car garage, an extended concrete driveway, and an additional parking pad with room for a boat or RV. A patio sits off the back of the home. With no HOA, there are no association restrictions on what you park in the driveway. The home has in-ground termite bait stations serviced by Best Home & Property Services. Located in the Loris and Longs area, roughly 20 miles inland, the property is a 20 to 30 minute drive from North Myrtle Beach and the Grand Strand, offering acreage and elbow room while staying within easy reach of the coast. The living room furniture conveys with the home, including the grey sofa, the grey sectional, and the wood coffee table. The white sofa and the area rug do not convey. The washer and dryer convey as well. Schedule a private showing to see the home and the acre it sits on. Square footage and measurements are approximate and should be verified by the buyer.
