Description

Wake up to the Atlantic at 340 N Waccamaw Drive, Unit 101 ... a beautifully renovated oceanfront condo in the heart of Garden City Beach. This 2-bedroom, 2-bath retreat pairs an exceptional beachfront setting with the ease of a first-floor location and a covered oceanfront porch made for morning coffee, salty breezes and front-row views of the water. The interior underwent a comprehensive renovation approximately two years ago, creating a fresh coastal feel throughout inclusive of but not limited to, an updated kitchen, granite countertops, stainless appliances, stylish backsplash, updated baths with tile and stone details, modern fixtures, flooring, lighting and plantation shutters. The improvements continued in 2026 with a New Hvac system and compressor, adding an important major-system upgrade. The open living area keeps the ocean in sight and flows directly to the porch, while the bright kitchen offers generous cabinetry and a clean, modern finish. Offered furnished, the condo is positioned for use as a primary residence, second home or coastal getaway. Step outside and the beach is right there; Garden City Pier, dining, shops and entertainment are just a short distance away, with the Murrells Inlet MarshWalk, marinas and more Grand Strand favorites nearby. Renovated, furnished and oceanfront this is the kind of beach property that lets you arrive, settle in and start enjoying the coast.
