The Galen floor plan features an open flow between the kitchen, dining and living area that is great for entertaining. The well-designed floorplan offers the open concept and a space that can be decorated and lived-in in many ways. A flex room with french doors off the foyer can be used as a formal dining room, office, playroom or den. The kitchen comes complete with a center island, granite countertops, a corner walk in pantry, 36" cabinets and stainless steel appliances including a refrigerator! A second floor owner's suite is large with massive closets and a bathroom that features double sinks, 5' walk-in shower, separate linen closet and plenty of space. Three secondary bedrooms and another full bathroom complete the upstairs area while providing a split bedroom floorplan for a private primary suite. Enjoy the coastal breezes on the covered back porch. 2' faux wood blinds are included on all standard windows. This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone. \*Photos are of a similar Galen home.
