Description

Welcome home to this highly sought floor plan in Cherokee Trail, ideally situated at 343 Nantahala Drive in Lexington, SC! Spec'd out with upgraded options and extras, this home feels nearly custom throughout. Enjoy higher ceilings, recessed lighting, engineered hardwood floors, and tiled bathrooms. The chef's kitchen is a showstopper, featuring a double oven, a microwave/air fryer combo, a stainless steel hood vent over a large gas burner, a stainless farmhouse sink, and a huge island with upgraded cabinets — perfect for family gatherings and entertaining. A formal dining room greets you to the right of the entry, adding a touch of elegance from the moment you walk in, and connects to a butler's pantry that doubles as a wet bar or buffet space. To the left of the entry, a formal living room with double doors offers flexible space as a home office or sitting room. The main living room boasts tall coffered ceilings and a gas fireplace, opening seamlessly to the kitchen for effortless entertaining. A bedroom and private full bath tucked in the back corner of the main level make an ideal in-law suite or guest space. Upstairs, three additional bedrooms with higher ceilings and private closets share two full bathrooms off the main hall. A bonus media room — closed off by double doors yet open to the hallway when needed — offers extra flex space as an office or gym. The primary suite is a true retreat, with vaulted ceilings, an adjoining sitting room, and three walk-in closets for effortless storage. The spa-like primary bath dazzles with reflective marbled tile, a separate shower, a soaking tub, and a huge double vanity with abundant counter space. Outside, enjoy a large patio and an oversized lot — plenty of room to relax or entertain. Don't miss this rare opportunity in Cherokee Trail!
