Description

This property was used as a Chiropractic Medical Office and single family home on the corner of 35th Ave. N. and Kings Hwy. Absolutely a beautiful lot that is East of business Hwy 17 and short walk to the beach. It is one of the larger lots that is located on the Golden Mile. The home is in good condition and has 4 bedrooms, 2 1/2 bathrooms, kitchen, office, living/dining room and a spacious family room. It also features 6 offices and a reception area that is attached to this single family home. This property could be used as a beach cottage and in the future a beautiful modern home could be constructed on this lot. These properties along the Golden Mile section of Myrtle Beach come along ever so often and this one is waiting for you.
