Description

Spacious and impeccably maintained townhome offering exceptional flexibility and an abundance of natural light. The main level features an inviting eat-in kitchen, separate dining area, comfortable living space with fireplace, and access to a screened porch and deck overlooking HOA-protected woodlands, providing a peaceful and private backdrop. Upstairs, two generously sized primary bedroom suites offer comfortable private retreats. The ground floor adds valuable versatility with a large flex space that can easily serve as a home office, second family room, home gym, or potentially a third bedroom. This additional living area provides valuable square footage and flexibility not typically found in comparable two-bedroom townhomes. A one-car garage with epoxy flooring completes the home.
