Description

Enjoy beautiful lake views in this like-new, move-in-ready, single-story ranch! Featuring 4 bedrooms, 2 full bathrooms, an open-concept layout, and a desirable split-bedroom floor plan, this home has been gently used only as a second home and is ready for its new owners. Step inside to a bright and inviting living space with laminate flooring throughout the main living areas and an open layout designed for both everyday living and entertaining. The kitchen is the heart of the home, featuring crisp white shaker-style cabinetry, granite countertops, stainless steel appliances, under-cabinet lighting, and a large center island with bar seating. The kitchen flows seamlessly into the dining and living areas, where plenty of natural light creates an open and welcoming atmosphere. The private primary suite is tucked away from the guest bedrooms and offers a spacious retreat with an en suite bathroom featuring tile flooring, dual vanity sinks, a walk-in shower, and a large walk-in closet. An additional walk-in storage closet provides even more space for linens, seasonal items, or extra storage. Three additional bedrooms and a full guest bathroom are located on the opposite side of the home, providing privacy and separation for family and guests. Even the laundry room has been thoughtfully upgraded with additional cabinetry for storage and designer wainscoting that adds a custom touch. One of the best features of this home is the screened porch overlooking the expansive lake, creating the perfect place to enjoy your morning coffee, unwind in the evening, or simply take in the peaceful water views. The location makes this home even more appealing! The beach is less than 15 minutes away, Barefoot Landing is right down the road, and the North Myrtle Beach Park & Sports Complex is just minutes away. With shopping, dining, entertainment, recreation, and the beach all within easy reach, this home offers the perfect combination of comfort, convenience, and coastal living. Whether you're searching for a primary residence or a second home near the beach, this beautifully maintained property is truly move-in ready and waiting to be enjoyed. Sq. ft. is deemed reliable, but buyer is responsible for verifying.
