Description

The owners have recently completed a beautiful remodel of the living and dining areas, highlighted by a stunning shiplap accent wall with a built-in outlet perfectly designed for mounting a television. The kitchen features shiplap walls, a bead board ceiling, stainless steel appliances, soft-close cabinet doors and drawers, and granite countertops, creating a stylish yet highly functional space. The living area opens to a covered balcony, offering the perfect place to enjoy your morning coffee while taking in views of the salt marsh, marina, Edisto River, and spectacular evening sunsets. The primary bedroom has also been beautifully updated with a shiplap feature wall, a new queen-size bed, and a large closet for enhanced storage. The private primary bath has been updated and features a whirlpool garden tub/shower combination. The second bedroom offers a king-size bed and a private updated bath with a wonderful tiled walk-in shower. A conveniently located laundry area with a stacked washer and dryer is situated near the second bedroom. Bay Creek Villas are conveniently located near great restaurants, the golf course, marina, marina store, and Big Bay Park. For your beach and boating gear, a private storage locker beneath the building provides secure and easy access. The beach is just minutes away, making coastal living effortless and enjoyable. Residents also enjoy exceptional amenities, including a waterfront pool overlooking the marina, an exercise area, ship store, and boat ramp. Elevator access make arriving at your villa easy and convenient. This property also includes private under-building parking, an owner's storage closet, and boat trailer parking. This is a fantastic opportunity to own a tranquil and convenient coastal retreat. The villa is beautifully decorated and is being sold fully furnished, with very few exceptions.
