Description

Some people dream of the lake life. You're about to stop dreaming and start living it. Picture this: your morning coffee on an 8' x 32' covered porch, steam rising from your mug, as the sun climbs over big water views that stretch to the horizon. By evening, you're back on that same porch, front row for nature's nightly light show - Lake Murray sunsets that no screen could ever replicate. This isn't a vacation. This is your Tuesday.

120 Feet of Pure Waterfront Bliss

With 120 feet of pristine shoreline, your lakefront kingdom includes everything a boater's heart desires:?? 12' wide private boat ramp - launch whenever the water calls? Covered 16x16 dock with deep water access - no shallow-water worries here?? Unobstructed big water views - because you didn't move to the lake to stare at someone else's dock

A Home That Lives Up to Its View

Step inside and let your eyes travel up... and up... and up. Soaring cathedral ceilings create a great room that feels endless, while a dramatic balcony loft overlooks it all - the perfect perch for reading, relaxing, or admiring the space below.

The open floor plan flows effortlessly from:

- A chef-worthy kitchen with custom cabinetry and a 4-seat bar made for lingering conversations
- A generously sized dining area ready for holiday feasts and Saturday pancake breakfasts
- A main-floor master suite - because lake living should be easy at every stage of life

Upstairs, two spacious bedrooms give privacy for family or guests, plus a secluded flex/office room tucked away - ideal for remote work with a view, a craft room, or that reading nook you've always promised yourself.

Room for Every Toy (and Every Project)

The back of the home is a gear-lover's dream, accessible via another 8' x 16' covered porch:???

- Large boat garage??
- Separate 2-car detached garage??
- Dedicated workshop - finally, space for that project list

The Cherry on Top: Location, Location, Location

Here's the quiet genius of this property: it sits in Newberry County, where property taxes are SIGNIFICANTLY lower - your wallet will thank you every single year. Yet you're still just hop, skip, & a jump away from food, restaurants, and modern convenience. Disclaimer: CMLS has not reviewed
