Description

Welcome to 3809 Masters Ct, a first-floor end unit in Myrtle Pointe, a well-kept residential and second-home community in Plantation Pointe off 38th Ave N and the 17 Bypass, with the beach just over a mile away. This 2-bedroom, 2-bath condo has a split-bedroom layout that gives each bedroom its own private side of the home, and it overlooks the lake. The kitchen has been updated with espresso shaker-style cabinets, glass-front upper cabinets, granite countertops, stainless steel appliances and a pass-through with pendant lighting that opens to the dining area. The separate dining room also has a built-in wet bar with glass shelving, which is handy for entertaining. Step down into the sunken living room, where vaulted ceilings, an upper window and a fireplace create a bright, open space, and sliding glass doors lead to the enclosed Carolina Room and the fenced patio beyond. Tile flooring runs through the main living areas, and the bedrooms are carpeted. The primary suite has its own slider to the Carolina Room, a walk-in closet and a bath with a double vanity. The guest bath has a tiled walk-in shower with a glass door. A separate laundry room with a washer and dryer and two exterior storage closets add everyday convenience. Community amenities include a clubhouse, fitness room, library, a large pool, grilling areas and tennis courts, and the grounds have mature trees and ponds with fountains, all minutes from dining, shopping, golf and the beach. Myrtle Pointe is not zoned for short-term vacation rentals, which helps it keep a quiet, neighborhood feel. Whether you're looking for a primary residence or a second home at the beach, this condo offers a strong combination of layout, amenities and location.
