Description

Welcome to your private retreat. This spacious four-bedroom, three-bathroom residence is situated on over nine acres, bordering Redmonds Pond. The walled entrance leads you 3/10 of a mile down a shaded paved driveway and through the gate before opening up to the lovely property, and the two car garage home. The large kitchen features granite countertops, two pantries, numerous soft-close cabinets and pull-outs, oak flooring, and a dedicated dining area. The main living area comprises a split-floor plan that includes three bedrooms. Two of these bedrooms boast walk-in closets, their own sinks and vanity areas, and are connected by a Jack and Jill bathroom. The expansive master bedroom includes an en suite bathroom with two walk-in closets. The fourth bedroom, conveniently located over the garage, is equipped with a closet and a separate heating and air-conditioning unit. Furthermore, there is a spacious walk-in attic. The property is adorned with a gas log fireplace, a 39'x11' Carolina room, and plantation shutters that exude elegance. The laundry room and all bathroom fixtures have undergone recent upgrades. Outside, there is an expansive 600 square-foot porch overlooking a recently renovated in-ground heated pool with a volleyball net accessory. Along the pool patio is beautiful artificial turf for easy maintenance. The property also includes a spacious greenhouse for year round gardening, three fenced-in paddocks, fruit trees, a covered pavilion, a 30'x50' barn with electric power, as well as a 40'x50' insulated barn with electric power. Despite its secluded location in a private wooded setting, the home is conveniently situated just five minutes from restaurants, shopping, and other amenities. It is also in close proximity to Carolina Springs Elementary School, Carolina Springs Middle School, and White Knoll High School.
