Description

Discover an extraordinary residence tucked away within The Hermitage — an exclusive gated community of merely fourteen distinguished homes, where century-old oak trees draped with Spanish moss create a breathtaking canopy of Lowcountry elegance. This meticulously kept three-bedroom home has beautiful hardwood floors and impeccably detailed custom moldings and built-ins throughout, revealing the extraordinary attention to detail throughout every room. The main level unfolds with a chef-caliber kitchen appointed with luxury stainless steel appliances, a gracious formal dining room, an inviting living room, and a private home office — each space radiating polished distinction. Below, a generously proportioned enclosed game room with a half bath awaits at garage level, offering an inspired retreat perfect for entertainment. The impressive three-bay garage delivers unparalleled storage and convenience. Step beyond and surrender to the magnificent rear porch, graced with sophisticated composite decking — an ideal setting for intimate gatherings beneath the evening sky. The pristine manicured grounds, illuminated by elegant landscape lighting and complemented by a shallow water well, cultivate an outdoor sanctuary of extraordinary serenity. Both heating and cooling systems one for each floor, have been replaced within the last five years, both porches have been updated with new black aluminum railings and composite decking within the last two years. Roof is approximately ten years old and does not show any signs of needing replacing anytime soon. New Appliances were installed in 2022. New garage doors installed. All new windows were installed June 2026, New concrete driveway was installed in Feb. 2026. There is also a shallow water well used for irrigation to keep the yard looking pristine and water bill low. Opportunities of this caliber within the Lowcountry are exceptionally rare —
