Description

No HOA! Situated on a spacious 0.8-acre lot outside of a flood zone, this 4-bedroom, 3.5-bath center hall Colonial is full of character, endless potential, and generous living space. Being sold as-is, this home is ready for your personal updates and finishing touches. The remodeled kitchen has been opened to the main living area and features abundant counter space, a beautiful porcelain farmhouse sink, refrigerator, dishwasher, two wall ovens, and two 36-inch cooktops. Each kitchen appliance is wired to its own dedicated circuit breaker for added convenience. A large dining area provides plenty of space for gatherings. The wheelchair-friendly main level includes a spacious primary suite with a walk-in shower, double vanity, and ensuite bath. An unfinished 600-square-foot addition offers an excellent opportunity to expand the living space to suit your needs. Upstairs, you'll find three additional guest bedrooms and two full bathrooms. Outside, the large circular driveway leads to an impressive 1,800-square-foot detached four-bay garage, providing exceptional space for vehicles, hobbies, or storage. The huge yard offers plenty of room for boats, RVs, campers, trailers, or additional parking. Located in the highly desirable Maple Hill community, this property is just minutes from historic downtown Conway, the Riverwalk, shopping, dining, and local attractions. Known for its peaceful setting, large homesites, and no HOA, Maple Hill is one of Conway's most sought-after neighborhoods.
