Smart pendant lighting and a butler's pantry connecting the kitchen and dining room complete this beautifully designed entertaining space. Throughout the home, solid brass and crystal hardware, plantation shutters, designer lighting, custom details, and a soft white palette create a cohesive atmosphere of understated luxury. The first-floor primary suite is a private retreat featuring its own welcoming entry foyer, generous closets, and a beautifully appointed bath. A formal powder room with marble flooring, marble-top vanity, nickel fixtures, and designer sconces adds another elevated touch. Even the laundry room has been thoughtfully designed, featuring an LG high-efficiency washer and dryer, custom shelving, designer lighting, and a Ballard Designs drying rack. Upstairs, an expansive loft offers wonderful flexibility as a media room, playroom, home office, or secondary living space. Three spacious bedrooms with generous closets share a beautifully finished full bath featuring coastal designer wallpaper, upgraded lighting, a Ballard Designs mirror, and glass shower doors. The open upper hallway overlooking the great room below further enhances the home's sense of light, volume, and architectural interest. Outdoor living is just as inviting.
