Description

One level living on the pond in Highland Woods, and no homes directly behind you. This 3 bedroom, 2 bath single story home in Forestbrook looks out over the water from the back, with a Carolina room built to enjoy it all year. Vaulted ceilings and an open floor plan keep the main living bright and easy to move through. The kitchen opens to the living area, so nobody misses the view. The primary suite has its own bath and a walk-in closet. Out back, the pond view is yours, quiet mornings and sunset water with nothing built behind you. A brand new roof is already done, so that big-ticket item is off your list. Two car garage and a low monthly HOA. A quick drive to Highway 501, Coastal Grand Mall, everyday shopping and dining, and the Myrtle Beach oceanfront. Come see this home for yourself.
