Description

Check out 402 Silicon Drive, a beautifully designed townhome featuring three bedrooms, two and a half bathrooms, and a one-car garage. The open-concept layout is perfect for entertaining, ensuring you're always part of the action. Upon entering, you'll be welcomed by a spacious foyer that leads into the living that features a glass door that seamlessly connects the indoors with the patio, enhancing your living experience. The kitchen provides ample storage and looks over the dining room area. A conveniently located half bathroom is situated off the living room. Moving upstairs, you'll find two bedrooms, which share a bathroom complete with a single vanity and tub. The upstairs laundry room is also ideally located for easy access. On the opposite side of the floor, the primary bedroom features privacy and comfort. The en-suite primary bathroom boasts a double vanity and a walk-in shower with glass panels. The spacious walk-in closet is perfect for additional storage. The primary bedroom features a large window, filling the room with extra light. With its smart design, natural lighting, spacious layout, and modern finishes, this townhome is a wonderful place to call home. Pictures are representative.
