Additionally, you'll find two generously sized guest bedrooms and a second full bath, all off a roomy center hall. Mohawk Revwood wide-plank laminate flooring throughout, no carpet or popcorn ceilings. This home features a large dedicated laundry room with geometric tile flooring and a gas furnace & on-demand water heater. Exterior features include epoxied front porch with ceiling fan, Hardi Plank and wrap-around sidewalk. One of the unique features of the Parkview Collection is its charming neighborhood design. Homes face one another across beautifully maintained common green spaces and community amenities, creating an inviting setting for evening strolls, walking the dog, gathering with neighbors, and enjoying a true sense of community. Longwood Bluffs is a natural gas community offering access to The Park at Prince Creek West, a premier resort-style amenity center featuring two swimming pools, tennis and pickleball courts, walking and biking trails, a picnic pavilion with fireplace, and more.
