Description

Coastal convenience meets low-maintenance living in this move-in ready Glenville townhome in the Villas at Sandridge community of Myrtle Beach, South Carolina. Thoughtfully designed for full-time residents, vacation home buyers, and investors alike, this two-story townhome delivers a functional open-concept floor plan with modern finishes throughout. The main level features continuous luxury vinyl plank flooring flowing through the open kitchen, dining area, and living room — creating a seamless, contemporary layout ideal for entertaining. The well-appointed kitchen boasts white shaker cabinetry, granite countertops, stainless steel appliances, and a center island with bar seating, all with direct sightlines to the living space and rear patio access. The first-floor primary suite offers a tremendous private retreat complete with a walk-in closet and en-suite bath featuring dual quartz vanities, a glass-enclosed shower, and dedicated linen storage. Also on the main level: a laundry room, secondary full bathroom, foyer entry, and interior access to a one-car garage with built-in opener and keypad system. Upstairs, a spacious loft serves as a secondary living area, media room, or home office. Two additional bedrooms offer comfortable layouts and closet storage, sharing a full bathroom. A walk-in storage room — an uncommon and valuable feature in townhome living — provides generous space for seasonal items, luggage, or organization needs. The covered rear patio overlooks a wooded buffer, offering privacy and a natural backdrop for outdoor relaxation. Villas at Sandridge provides direct access to Highway 90 with seamless connectivity to Highways 31, 17, 22, and 9 — placing residents near the Intracoastal Waterway, boat launches, marinas, golf courses, retail, dining, and Atlantic Ocean beaches just approximately 10 minutes away. Measurements are not guaranteed. Buyer is responsible for verifying.
