Description

Welcome to 429 Tucker Woods, tucked inside the gates of Litchfield Plantation—one of the most beautiful and distinctive communities in Pawleys Island. The Avenue of Live Oaks sets the tone for a lifestyle that feels a world away from the everyday, while still being close to everything you love about Pawleys. This spacious 4-bedroom, 4.5-bath townhome offers an easy, low-maintenance way to enjoy it all. With the primary suite on the main level and three additional bedrooms plus a spacious loft and screen porch upstairs, there is plenty of room for family, friends, and the kind of weekends that turn into traditions. The main level is bright and welcoming, with 10-foot ceilings, 8-foot doors, custom window treatments, beautiful molding, and hurricane-impact windows. The living and dining spaces flow naturally into the kitchen, where solid surface countertops, solid wood cabinetry and stainless steel appliances give the space a polished but comfortable feel. A small but sunny breakfast nook overlooks the side yard—an especially nice spot to start the day. The kitchen opens to a warm family room with vaulted ceilings, fireplace, and custom built-ins, creating a space that feels made for settling in. Beyond it, the sunroom leads to a paved patio and plenty of room to enjoy the outdoors. The first-floor primary suite is a true retreat, with a generous walk-in closet and a beautiful bath featuring a jetted garden tub, separate tiled shower, dual vanities, and linen storage. Upstairs, three private bedroom suites each have their own full bath and generous closets, making this an ideal home for hosting guests or giving everyone their own space. Two bedrooms feature walk-in closets, while one bedroom and the loft open to a private screened porch—the perfect place to disappear with a book or enjoy a quiet evening. A brand new Rinnai tankless hot water heater, full laundry room and an oversized fourth bedroom add plenty of everyday practicality and storage. But the real beauty of living at Litchfield Plantation is what happens beyond your front door. Residents enjoy the pool and pool house overlooking the rice fields, access to the historic Plantation House, and one of the area's most coveted amenities: a private oceanfront beach house with private parking, bathrooms, showers, indoor and outdoor gathering spaces, and a boardwalk directly to the beach oceanfront on Pawleys Island. Take the golf cart beneath the live oaks, watch the sunset over the rice fields, drive over and spend the afternoon at the beach, or simply come home and enjoy the quiet. At 429 Tucker Woods, coastal living is less about a fast pace and keeping up and more about slowing down and enjoying life.
