Description

This beautiful lakefront home in the scenic gated community of Four Pointes North sits on a picturesque level lot, framed by meticulous landscaping and offers 160ft of shoreline with dock in place. Upon entering from the covered front porch, the home opens up into a foyer that leads to the warm and inviting living room. To the left of the foyer sits a sizeable study with elegant French doors. The powder room sits beside the study, featuring a skylight for natural light in the daytime. The expansive living room features a vented gas fireplace and tall windows overlooking the deck and lake view beyond. The kitchen offers plenty of options for cooking and storage, with a walk-in pantry, gorgeous quartz countertops, and a built-in wall oven and microwave, in addition to the standalone range. Beyond the kitchen and eating area lies the primary bedroom, with walkout access to the deck and an unobstructed water view. The primary bath features a separate walk-in shower, walk-in tub, water closet, and two corner walk-in closets. Across the hall from the primary bedroom is the laundry room, with a sink, counter space, and multiple shelves to utilize. On the opposite side of the house sits the second and third bedroom. Both additional bedrooms have generous natural light from tall windows—one with a lake view—and separate walk-in closets in each. A full bathroom with walk-in shower sits between the bedrooms. Outside at the back of the house is an elevated concrete deck and a motorized canopy for shade. At the shoreline is the lake access via a 24x30 ft covered boat dock with lift system and dock storage. This well-designed and expertly cared for home has a number of top of the line upgrades and features—see attached seller provided documentation for more information. Please provide proof of funds or pre-approval with all offers. All numeric representations are estimates and are not guaranteed. Have the buyer take their own measurements if exact measurements are needed. Agents and buyers, please confirm the specifics of interior or exterior home features with a home inspector if need be. Please do not send “love letters,” as they may innocently contain personal information that reveals a prohibited basis for discrimination of a protected class (race, color, religion, national origin, sex, familial status, and disability). To protect fair housing laws and give all buyers equal opportunity, and to prevent a seller from a bias, we kindly ask all buyer agents to maintain best practices and only submit South Carolina approved documents or supplemental documents as provided and uploaded into the MLS.
