Description

August 2026 - Price reduction, brand-new stainless-steel refrigerator AND stove. One of this property's standout features is its exceptional location within the community. Enjoy tranquil pond views as you arrive at the front entrance and rare tree-lined privacy from the back patio—an uncommon combination that provides both beauty and seclusion. This maintained 2-bedroom, 2-bathroom condo offering the perfect combination of comfort, style, and convenience. Featuring an open-concept split floor plan, this home is ideal as a primary residence, vacation getaway, investment property, or downsizing opportunity. Inside, soaring vaulted ceilings and two brand-new skylights fill the spacious living room with abundant natural light, creating a bright and inviting atmosphere. Sliding glass doors lead to the private patio, providing the perfect place to enjoy your morning coffee or unwind at the end of the day. The main-level primary bedroom offers convenience and easy accessibility with access to a full bath, while the upstairs guest suite provides added privacy with its own full bathroom and a spacious walk-in closet—ideal for guests, family, or a home office. Recent improvements include luxury vinyl plank flooring throughout the first floor (excluding the primary bedroom), freshly patched and cleaned walls ready for your personal touch, and a new roof, skylights, and gutters installed in 2025. Window screens are scheduled for replacement in 2026. A newer washer and dryer, along with the gazebo, convey with the property. Conveniently located in the heart of Little River, you'll be just minutes from shopping, dining, golf courses, McLeod Health Seacoast Hospital, major highways, and less than 10 minutes from Cherry Grove Beach. Whether you're looking for a low-maintenance primary residence, a coastal retreat, or an investment opportunity, this move-in-ready condo offers exceptional value in one of Little River's most desirable locations.
