Description

This spacious 3 bedroom 2 bath Riverwood condo is being sold furnished and features recently installed flooring, a newer HVAC system water heater. One of the standout features is the rare floor plan with an oversized living room, giving the home a larger, more comfortable feel than many traditional condo layouts. The generous living area provides plenty of room for relaxing and entertaining, while the overall layout works well for a primary residence or second home.

Riverwood offers a great mix of community amenities, including a swimming pool, clubhouse for community events, pickleball courts, and several larger ponds throughout the neighborhood.

Residents can also enjoy convenient access to the Murrells Inlet marshfront via the new walking trail located within the community. Short drive to everything that BOTH Murrells Inlet AND Myrtle Beach has to offer including: Murrells Inlet Marsh Walk, Brookgreen Gardens, Huntington State Park, Myrtle Beach State Park, Myrtle Beach International Airport, Broadway At The Beach, Barefoot Landing, The Market Common, Coastal Grande Mall, 2-Tanger Outlets, Coastal Carolina University (CCU), bike trails, fishing piers, marinas, public docks, public landings, restaurants, golf courses, shops, entertainment and attractions. Also, only 90 miles south to beautiful Charleston, SC
