Description

Calling all investors! This 4-bedroom, 2-bath home offers an excellent opportunity to renovate and add value. Situated on approximately 0.23 acres, the property features approximately 1,293 heated square feet (1,545 total square feet) and has already been gutted, providing a blank canvas for your vision. Whether you're looking for your next fix-and-flip project or a buy-and-hold rental investment, this property offers plenty of potential. With the major demolition already complete, you can skip the tear-out phase and begin bringing your renovation plans to life. Don't miss this chance to transform this property into a profitable investment.
