Description

Welcome to 445 Dolomite Ct, where easy main-floor living meets a layout that gives you plenty of flexibility! This home features three bedrooms and two full bathrooms on the main level, including the spacious primary suite with tray ceilings, a large walk-in closet, double vanity, and oversized shower. The open-concept living area centers around a cozy fireplace and flows into the kitchen featuring granite countertops, a gas stove, pantry, and plenty of room for everyday living and entertaining. Upstairs, the flexible FROG gives you even more options and can easily serve as a fourth bedroom, bonus room, home office, playroom, or whatever fits your needs. Outside, you'll love the covered back porch, additional patio that's perfect for grilling, and the privacy of having no backyard neighbors. There's also extra space beside the home, giving you a little more breathing room between neighbors than you typically find in newer communities. Add in a good-sized driveway and zoning for award-winning schools, and 445 Dolomite Ct checks a whole lot of boxes!
