Description

Welcome to Sandridge Park, located in Little River. The area is known for their deep-sea fishing charters, fresh seafood, and their famous Blue Crab Festival. This area is only 20 miles from the hustle and bustle of Myrtle Beach. Residents are drawn to Little River for its more relaxed, laid-back feel. This quaint fishing village is close to a few major roadways that can quickly take you to larger cities and within a short drive of Longs, Cherry Grove Beach and North Myrtle Beach. The Arden floor plan features an open flow between the kitchen, dining and living area that is great for entertaining. The well-designed floorplan offers the open concept and a space that can be decorated and lived-in in many ways. The kitchen comes complete with a center island, a tile backsplash, granite countertops, a corner walk in pantry, 36" cabinets and stainless steel appliances including a refrigerator! Beautiful luxury vinyl plank flooring throughout the main living areas! A second floor owner's suite is large with a spacious walk in closet and a bathroom that features double sinks, 5' walk-in shower, garden tub and plenty of space. Three secondary bedrooms and another full bathroom complete the upstairs area. This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone. *Photos are of a similar Arden home.
