It is an absolutely beautiful, updated third-floor, end unit, with beamed vaulted ceilings, which boasts amazing marina views from the living room, master bedroom and patio. This two-bedroom, two full bath condo has been renovated with a light, neutral, modern flair. The kitchen features granite countertops, large stainless farmhouse sink with disposal, new appliances, a chic subway tile backsplash, complemented by updated cabinetry and a built in wine rack. The master bedroom is a relaxing retreat with beautiful plantation shutters, modern ceiling fan and views of the marina. The master bath features a large custom walk in shower with niches and the double vanity features matte black waterfall faucets. Patio view is among the best in LKV with a beautiful view of the marina and Intracoastal activity, and a stunning morning sunrise! Many upgrades include a custom built shiplap electric fireplace with heater and custom mantle. Also, custom plantation shutters throughout, with custom automated blinds on the large living room window and patio doors, allowing for unobstructed views of the marina, but also full privacy and UV protection when needed. Popcorn ceilings removed, easy care Daltile flooring, and freshly painted. Laundry room with washer, dryer, and plenty of storage. Amenities include 2 community pools, tennis/pickleball court and social activities at the Clubhouse. HOA includes water, sewage, garbage, cable, landscaping, and walls out insurance. Enjoy a stroll or bike along the boardwalk that stretches from the waterway to the stunning Governor's Lighthouse and around the Coquina Harbour marina. The Yacht Club at Lightkeepers is conveniently located near a variety of excellent restaurants, shopping, fishing, boating and entertainment options. Our boat slip in this marina is also available for purchase, just steps from the condo! All this and you are only 10 minutes to the beach. You'll love it here. Schedule today!
