Description

Turnkey townhomes near the Intracoastal Waterway that offer both low maintenance living and investment flexibility are becoming increasingly difficult to find along the Grand Strand. That opportunity exists at 487 Waterend Drive in the Villas at Sandridge community in Little River, where coastal lifestyle and convenience come together. This fully furnished 3 bedroom, 2.5 bath end unit townhome features an open layout connecting the kitchen, dining, and living areas for comfortable everyday living and entertaining. The kitchen includes granite countertops, stainless steel appliances, and luxury vinyl plank flooring throughout the main living space. The first floor primary suite offers a walk in closet, dual vanity, and oversized shower. Upstairs, two additional bedrooms, a loft area, and a large walk in storage space provide flexibility for guests or additional living space. A covered patio overlooking a private wooded setting creates a quiet place to relax after a day on the water or at the beach. The location offers easy access to North Myrtle Beach, waterfront dining along the coast, and the fishing village of Calabash known for its seafood restaurants and coastal charm. The Intracoastal Waterway, nearby marinas, boat launches, golf courses, and Atlantic Ocean beaches are all within reach. Short term rentals are allowed, creating the flexibility to enjoy the property personally or generate rental income when you're not using it. For buyers seeking low maintenance coastal living, investment potential, or both, 487 Waterend Drive is a townhome worth experiencing in person.
