Description

Tucked away in one of the Grand Strands most exclusive and sought-after beachfront communities, this exceptional oceanfront retreat in Long Bay Estates offers a rare opportunity to own along a stretch of coastline known for its privacy, natural beauty, and timeless charm. Bordering the protected shoreline of Myrtle Beach State Park and minutes from shops / dining in the Market Common and the airport makes for the perfect location! This stunning 7-bedroom, 7.5-bath home is thoughtfully designed to maximize its breathtaking panoramic ocean views, with nearly every room capturing the beauty of the Atlantic. Perfect for large families or luxury rental potential, the home features three oceanfront master suites, each with private balcony access and spa-like bathrooms with walk-in showers and body sprayers. All bedrooms have attached bathrooms, plus a common half bath on the main level. The bright, open interior is complemented by a gourmet kitchen equipped with a large gas stove, two refrigerators, two dishwashers, a standalone ice maker, an island, and a granite bar—perfect for cooking and entertaining. Additional features include a large game room with pool table, seating, flat screen TV, and balcony access, as well as expansive upper and main-level decks with outdoor speakers for enjoying the ocean breeze. Outdoor living is just as impressive, with a private pool, hot tub, kiddie pool, and even a putting green—delivering resort-style amenities right at home. With only a limited number of oceanfront homes in this exclusive community, properties like this are seldom available. Whether you're seeking a luxurious personal retreat or a high-performing investment property, this extraordinary home embodies the very best of oceanfront living along the Grand Strand.
