Description

Situated on a large, level lot just minutes from downtown Inman, this well-maintained 3-bedroom, 1.5-bath home blends comfortable living spaces with practical extras. Rich hardwood floors run throughout much of the home, adding warmth and character to every room. A cozy den or flex room with a gas fireplace makes an ideal spot for a home office, playroom, or second living area, while the sunroom overlooking the backyard provides a peaceful place to relax any time of year. The spacious, level yard offers plenty of room to garden, play, or entertain. Practical features abound, including a 2-car carport and a 16x10 outbuilding with electricity, perfect for a workshop, studio, or extra storage. Solar panels help keep energy costs down, adding long-term value and efficiency. With its unbeatable location close to downtown Inman's shops and restaurants, this home is a wonderful opportunity for buyers seeking comfort, function, and convenience all in one place.
