Description

Tucked onto a quiet cul-de-sac in Cornerstone of Irmo, this home has 2 living rooms, thanks to a 420 square foot flex room you will not find in most homes this size. Make it a second living area, a playroom, a home office, or a media room. It could be converted to a master bedroom on the main floor in the future! The space adapts to however you live. A covered front porch welcomes you inside the living room that flows into the kitchen where a bright dining area come together. Just off the dining space, the flex room gives you the kind of extra square footage that quietly changes how a household uses a home. Upstairs, the vaulted primary suite features a double vanity, a tub and shower combination, a separate water closet, and a large walk-in closet. Two additional bedrooms, both comfortably sized, share a full hall bath for a layout that is practical and easy to live in. Outside, a privacy-fenced backyard and large back porch gives you room to relax or entertain. A two-car garage completes the home. The location is hard to beat. You are about ten minutes from Columbiana Centre, Target, HomeGoods, Costco, grocery stores, and local coffee shops, with quick access to I-26 and roughly fifteen minutes to downtown Columbia and Riverbanks Zoo. The home is zoned for Lexington-Richland Five schools, including Dutch Fork Middle and Dutch Fork High. Homes built after 2015 rarely come available here. Ask for the floorplan and 3D tour.
