## Description

Tucked into one of Anderson's most established corridors, 501 Concord Ave brings the timeless appeal of a classic all-brick ranch right where you want to be. Instead of a cookie-cutter layout, this 3-bedroom, 2-bath home centers around a bright, open living space grounded by original hardwood floors. The kitchen avoids the typical crowded feel with a functional footprint and an integrated casual dining nook made for slow mornings. Down the hall, the layout respects privacy, keeping the bedrooms separated from the main living areas. Step out back, and the property really shines—a tiered wooden deck overlooks a deep, fully fenced backyard that offers a rare amount of breathing room for gardening, pets, or weekends outdoors. Everything you need, from AnMed health facilities to the Clemson Blvd retail hub and the highly rated T.L. Hanna district schools, is just minutes from your front door.
