Description

Welcome to 503 Enclave Lane, a beautifully designed, one-owner David Weekley home with a large, private lot in the heart of Midtown at Nexton. Thoughtfully laid out and impeccably maintained, this home blends elevated design with the ease of truly move-in-ready living. The open main living area is the heart of the home, with a gourmet kitchen centered around an oversized island and an effortless flow into the dining and living spaces. Expansive glass doors open to the screened porch, extending the living space outdoors and creating a natural setting for entertaining. A main-level bedroom and full bath provide flexibility for guests, an office or a private retreat, while the home's thoughtful design keeps the main living spaces open and connected without sacrificing function. Upstairs, the layout becomes a private retreat of its own. The spacious primary suite is tucked away with a generous ensuite bath and walk-in closet, while two additional bedrooms are positioned nearby. The upstairs laundry room adds exceptional convenience, and the additional full bath is accessed directly from the loft/living area. The loft creates an additional flexible living space, while outside, the .26-acre homesite is a standout feature. In Nexton, where larger lots are increasingly difficult to find, this generous yard provides an uncommon amount of private outdoor space and room to truly enjoy the home. The layout offers the perfect balance of open gathering spaces and private retreats, with flexible rooms that easily adapt for guests, a home office or everyday living. Set within Midtown at Nexton, the lifestyle extends well beyond the front door. Residents enjoy access to the impressive Midtown Club with a resort-style lagoon pool, fitness facilities, yoga studio, tennis and pickleball courts, event lawns, playground and beautifully designed gathering spaces. Miles of trails, parks and green spaces connect the community, while nearby Nexton Square places dining, shopping, coffee and everyday conveniences just minutes from home. With convenient access to I-26, historic Summerville and Charleston, Nexton has become one of the Lowcountry's most sought-after communities for those who want design, connection and convenience without sacrificing space or lifestyle. One owner. Designer-inspired. Impeccably maintained. Completely move-in ready. 503 Enclave Lane is more than a beautiful home, it's an opportunity to step into the Nexton lifestyle without waiting to build.
