The bright and open great room features a beautiful decorative trim wall and smart Phillips recessed can lighting. Beautiful luxury vinyl plank flooring throughout. Convenience meets style with spectacular drop zone at both the front and back doors, complete with shoe storage, cubbies and coat hooks. A brand-new stylish front door adds to the home's welcoming curb appeal. The newly renovated hall bath features a new tub/shower, tile flooring and toilet. Brand new living room front window just installed. Step outside to enjoy the beautifully landscaped front yard with newly installed sod yard, gravel driveway, and fully fenced backyard shaded by mature live oak trees. The backyard is made for relaxing and entertaining with a deck, charming tree swing, and storage shed. An exterior vehicle charging outlet conveniently located for electric car charging adds another thoughtful feature to this well-appointed home. Vinyl siding and a metal roof provide easy, low-maintenance living.
