Description

Welcome to 508 Davis, a beautiful ranch situated on a spacious corner lot in rural SC. The covered front porch with brick flooring welcomes you in to an open living area with hardwoods, crown molding, and a cozy fireplace flanked by custom built-ins. The kitchen is perfectly designed for everyday living or entertaining with friends. Plenty of space in the huge pantry for beverage station in addition to all your storage, while a separate dining room with classic chandelier covers all your entertaining needs. The spacious primary suite offers a private en-bath, 2 generous walk-in closets with built-ins, soaking tub, dual vanities, and separate shower. A dedicated laundry/utility room with sink adds even more space and convenience. Outside a screened porch, carport, and fenced yard are ideal for relaxing. The true showstopper is the oversized detached workshop — complete with power, workbenches, and plenty of room for tools, equipment, or projects of any size. Enjoy peaceful, rural living with space to spread out, all while remaining just a short drive from I-20 & local conveniences.
