Description

Introducing a brand new, extraordinary oceanfront residence along Myrtle Beach's prestigious Golden Mile. Designed to deliver a resort style experience at home, this 6 bedroom, 6.5 bath property pairs striking coastal architecture with exceptional craftsmanship, sophisticated interiors, and unobstructed views of the Atlantic! Inside, expansive living spaces with large sliding doors draw the ocean into nearly every aspect of the home. The chef's kitchen serves as a dramatic centerpiece with custom cabinetry, natural stone backsplash, an oversized statement island, designer lighting, and elevated finishes selected to complement the home's coastal setting. An additional outdoor kitchen extends the entertaining space beyond the interior and creates a seamless connection to the oceanfront setting. Two primary suites offer exceptional flexibility and privacy, while the main primary retreat takes luxury a step further with separate his and hers closets. The guest bedrooms each feature a walk-in closet and en suite bathroom. A dedicated office, spacious recreation room, and multiple gathering areas provide room to work, entertain, and unwind without sacrificing privacy. Enjoy private elevator access to all floors. Multiple oceanfront decks showcase panoramic Atlantic views and create incredible spaces for dining, entertaining, or simply enjoying the coastline. Outside, the property transforms into a private resort with a pool and spa, gas fire pit, putting green, outdoor kitchen, and private pickleball court, all just steps from the sand. Every element has been thoughtfully designed to elevate the experience of oceanfront living and create a residence as impressive for entertaining as it is for everyday life!
