Description

Discover the perfect blend of comfort, space, and energy efficiency with this 4-bedroom, 3-bath home situated on approximately 0.80 acre in a peaceful country setting in Hemingway, SC. The versatile floor plan features two primary/master bedroom suites, offering added privacy and flexibility for multi-generational living, guests, or extended family. Designed with efficiency in mind, the home is equipped with Tesla solar panels with battery backup, double-pane vinyl windows, and a durable metal roof—features that can contribute to improved energy efficiency and long-term savings. The spacious lot provides plenty of room to enjoy outdoor living, gardening, entertaining, or simply relaxing in the quiet surroundings. If you're looking for country living, generous space, and modern energy-conscious features, this Hemingway property deserves a closer look. Schedule your showing today!
