Description

Wake up to the sound of the waves at Dunes Village Resort, one of Myrtle Beach's most sought after addresses for vacationers and investors alike. This beautifully furnished one bedroom, one bath ocean view condo sleeps up to eight comfortably, with two queen beds in the bedroom and additional sleeping space in the living area, making it as practical for large families as it is for rental turnover. The kitchen offers granite countertops and stainless steel appliances, including a full size refrigerator, stove, microwave, and dishwasher, while an in unit washer and dryer add everyday convenience. Step onto your private balcony for ocean views, or head downstairs to experience why Dunes Village stands out: two of the largest indoor water parks in Myrtle Beach, featuring multiple water slides, lazy rivers, indoor pools, splash features, and hot tubs for year round fun. Beyond the water parks, guests enjoy tennis and basketball courts, beach volleyball, mini golf, a playground, fitness center, onsite spa, and four on site dining options. Whether you're chasing your own oceanfront escape or a rental property with proven income potential, this Dunes Village condo checks every box, offering a rare combination of lifestyle appeal and long term value.
