Description

I am excited to share a rare opportunity to purchase 521 Jacobs Mill Pond Road. This stunning property sits on 2.84 acres with 100 feet of waterfront on F. Coopers Pond, featuring a private dock, exceptional views, and complete privacy. This 3,200-square-foot southern charmer offers main-level living with 4 bedrooms and 4 full bathrooms. The spacious great room includes a fireplace and opens to a kitchen and dining area with hardwood floors. The kitchen is well-appointed with white cabinets, granite countertops, an oversized island, and a breakfast nook with built-in banquette seating. For entertaining, the home features a 12'x40' screened porch leading to a large deck that overlooks the pool and lake. The primary suite includes French doors to the covered porch, a spacious bathroom, and a walk-in closet. The basement level provides a versatile flex space with direct access to the pool area. The property also includes a 24'x34' detached garage with a workshop, an additional storage building, and carport.
