Description

Rare Gentleman's Farm in the Heart of Murrells Inlet Discover the best of both worlds with this exceptional 6+ acre gentleman's farm, perfectly situated in the heart of Murrells Inlet. Enjoy peaceful country living just minutes from the beach, Waccamaw River boating, championship golf, renowned seafood restaurants, and convenient health care. The raised-beach-style home offers approximately 3,000 heated square feet, four bedrooms, and four bathrooms. A spacious wrap-around screened porch overlooks fenced pastures, a horse barn, mature landscaping, and a large pond. Inside, the home features solid hickory floors, high ceilings, crown molding, granite countertops, and ceiling fans throughout. The thoughtfully designed floor plan includes two bedrooms on each level, with three bedrooms offering en-suite bathrooms. The first-floor primary suite features two walk-in closets for generous storage. Outdoor living is equally impressive, with a new saltwater pool and resort-style patio surrounded by mature landscaping. The property offers a private oasis of pastures, woodlands, wetlands, and open space—ideal for gardening, raising chickens, enjoying nature, or simply relaxing. Additional features include a large fenced dog run and a separate fenced chicken-coop area. Equestrian amenities include a four-stall horse barn connected to three separate pastures, a wash rack (with hot water) , tack room, and self-watering systems for year-round convenience. A deep well supplies irrigation to all pastures. The property consists of three individual parcels: two half-acre residential lots and a 5.64-acre forest/agricultural tract, offering flexibility for a potential family compound or future development, if desired. Plenty of room to store boats, trailers, campers, RV's, etc. The F/A zoning allows multiple ways to utilize the land. Adjacent land owned by Brookgreen Gardens provides added privacy and protection in this quiet neighborhood. Conveniently located just 20 minutes from Myrtle Beach International Airport and the Grand Strand's theaters, attractions, and entertainment. Historic Georgetown is nearby, and Charleston is an easy day trip by car or boat. Here, you truly can have it all—farm life and beach life in one extraordinary setting.
