Description

Rare opportunity in Stono Shores. This approximately 2,500-square-foot, 4-bedroom, 3-bath brick ranch sits on a generous .32-acre lot . The home offers an unusually spacious and flexible floor plan with beautiful hardwood floors, multiple living areas, generous bedrooms and a large screened porch overlooking the backyard. An expansive, privately situated bedroom wing offers intriguing potential for a mother-in-law suite, multigenerational living space, private guest quarters or home office! With the square footage and desirable 4BR/3BA configuration already in place, the opportunity is here to reimagine the existing space rather than undertake a costly addition. Offered as-is and priced to give its next owner the freedom to create a truly exceptional James Island home.
