Description

Welcome to Harmony at St. James in Myrtle Beach! This beautifully maintained 3-bedroom, 2-bath home offers comfortable coastal living with an outdoor feature that truly sets it apart, your own private pool that can be both heated AND chilled, allowing you to enjoy the water comfortably throughout more of the year! Inside, the open-concept floor plan is bright and inviting, with easy-care flooring throughout the main living areas and a spacious kitchen featuring quartz-style countertops, stainless steel appliances, abundant cabinetry, breakfast bar seating and plenty of room for entertaining. A warm wood accent wall adds character to the main living space, while the split-bedroom layout provides added privacy. Outside is where this home really shines. Whether you're cooling off during a hot Myrtle Beach summer afternoon or warming the water when temperatures begin to drop, the heated and chilled pool transforms the backyard into your own private retreat. Enjoy morning swims, relaxing afternoons and evenings by the pool without ever leaving home. Additional highlights include an attached two-car garage, attractive coastal landscaping and excellent curb appeal. Located in the desirable Harmony at St. James community, you're convenient to Myrtle Beach area shopping, dining, golf, entertainment and, of course, the beach. If you've been looking for a Myrtle Beach home where the backyard is just as inviting as the inside, this one deserves a closer look. Schedule your showing and come see what makes this home special!
